

## **Fabric Painting: A Creative Expression**

Fabric painting is a fun and engaging art activity that allows students to express their creativity on fabric. This technique involves using specialized paints and brushes to create unique designs, patterns, and artworks on fabrics like cotton, silk, or linen.

By engaging in fabric painting, students can develop their artistic skills, explore their creativity, and produce unique and personalized artworks.

The activity was conducted on 14/05/25, 16 participants of four houses (Bhaskar, Arun, Martand and Ravi) participated enthusiastically.
