

School - House System

To cultivate and awaken in the child a healthy competitive skill the entire school has been divided in four houses-Blue , Red , Green , Yellow. Every student is placed in one of these houses. Each house is supervised by two House Masters who are assisted by House Tutors and a team of students led by house captain, who share responsibilities in managing routine activities which help, cultivate leadership and feeling of cooperation. Points are awarded to the students throughout the year for their performance in curricular and co-curricular activities. Points are also awarded to individual students and groups for their performance in competitions. Inter-house competitions are organized, and certificates are awarded to the participants getting positions for their performance in literary, cultural and sports activities etc.
