

SKILL EDUCATION

"Young Artists Crafting Timeless" Masterpieces"

Over an immersive 15-hour Skill Education Initiative (Mask Making), young artists (VI-VIII) breathed life into blank canvases, crafting exquisite masks with vibrant hues and intricate details. This hands-on skill education ignited creativity, refined craftsmanship, and fostered self-expression. As tradition met innovation, each masterpiece became a testament to their imagination, leaving a lasting imprint on their artistic journey.

"KDKVM Young Artists Weave Wonders"

Talented students (VI-VIII) of KDKVM brought fabric to life through an enriching 15-hour Skill Education Training in Embroidery. With precision and passion, they mastered intricate stitches like Chain, Blanket, Zig-Zag, Lazy Daisy, Satin, and Stem Stitch, weaving artistry into every thread. This journey not only honed their craftsmanship but also celebrated embroidery's timeless elegance.
